## Bee Supportive! Giving Campaign Begins Monday

**February 29 - March 14**

Campaign Launches on Monday! Check Kidmail for Details.

The Bee Supportive! Giving Campaign officially begins on Monday. The information was sent through Kidmail today. Check your child's backpack for a campaign letter, yellow pledge form, "I Love Bagley Because" sign and return envelope.

### What is the campaign?

Bagley PTA's largest fundraising effort of the year. Through the campaign all families are invited to make a donation in support of our kids and our school.

### Why does the PTA raise money?

The PTA raises money to support things like onsite reading and math specialists, art, music, library and health and fitness - the things that are not fully funded by the state.

As you will read in your letter, there are two campaign goals:

- 100% community participation - all families return a completed [pledge form](#), whether or not a contribution is included.
- \$40,000

### Are there prizes for participating?

YES! Just by turning in a pledge form, you could win one of TWO Great Wolf Lodge certificates or one of TWO \$50 gift cards to Sushi Kappo Tamura. Families who return a pledge sheet by Friday, March 4 will receive five entries into the raffle; all others will receive one.

We invite you to review the packet of information and make a thoughtful decision about how your family is able to participate at this time. Every donation - no matter the amount - is appreciated by our Bagley Bees!

## Is My Child too Sick to go to School?

### Guidelines from the District

**APPEARANCE/ BEHAVIOR-** unusually tired, pale, no appetite, hard to wake, or confused.

**EYES-** If there is drainage, vision change, and/or redness of the eyelid, itching, pain or sensitivity to light. This may be a sign of "pink eye" (conjunctivitis) and the student should be checked by a health care provider.

**FEVER-** temperature of 100 degrees Fahrenheit (38 degrees C) or higher. Students need to be fever free for 24 hours before returning to school WITHOUT medications to reduce the fever.

**BAD COLD AND/OR COUGH -** Students need to be able to cover their cough to be at school. If a cough or cold persists for more than 2 weeks, the student may need to be seen by a health care provider.

**DIARRHEA-** 2 or more watery stools in 24 hours, especially if the student acts or looks ill. Students should stay home for 24 hours after the last watery stool.

Students are expected to participate in all parts of the school day including recess or PE. If your doctor has restricted activity please send a doctor's note, for example: "No contact sports x 1 week."

**VOMITING-** vomiting 2 or more times in 24 hours. Student should stay home for 24 hours after the last time they vomited.

**RASH-** Bothering body rash, especially with fever or itching. Some rashes may spread to others and should be checked by a health care provider.

**INJURY/SURGERY -** if students are unable to concentrate due to pain or pain medication, they should stay home. Please have your health care provider contact the school nurse to help your child safely return to school. Letting the school nurse know in advance of any planned surgery will be helpful.

**STILL HAVE QUESTIONS** about whether or not your student is healthy enough to come to school? Contact the school nurse or your child's health care provider.

Thank you for your support to keep students safe & healthy.

Keeping ill students at home, encouraging frequent hand washing, and covering coughs protects everyone, including those with fragile immune systems.

# Winter After School Programs

## Registration Open Now!

The next session of our after school enrichment program begins Monday February 29th. Registration is open and we have seats available in many of our exciting classes. We currently provide a diverse menu of classes guaranteed to offer programs that spark the interest of your student.

All of our programs are offered on site at Bagley.

We serve a daily snack and hand-deliver each student to their classes every day. If your students are interested in being part of awesome activities like yoga, multi-sports, chess, or cooking this is the place for them. If they need somewhere to quietly do homework, or take part in the creation of a short film, our program offers engaging classes to meet the needs of all students.

Our brochure is posted on the [PTA website](#), or you can register by calling the front desk at Green Lake Community Center.

## Water for South Sudan Fundraiser

### February 26, (Tomorrow) after school

After reading *A Long Walk to Water* by Linda Sue Park last fall, the students of P5 were inspired to raise \$5000 to fund a well, so that children in South Sudan can have clean drinking water.

Through our online fundraiser ([www.crowdrise.com](http://www.crowdrise.com)-> search for 'P5 well'), we are almost at our goal. Please help us get to the finish line by coming to an after-school student store tomorrow, at the south end of the front sidewalk. There will be a variety of student-made crafts and other small items available in exchange for donations. We'd love your support!

\*Note that this is an independent project organized by the P5 students and families and is not associated with the school.\*
