## Bee Supportive! Giving Campaign

Continues through March 14

Pledge sheets have been flowing in over the first few days of the Bee Supportive! Giving Campaign.

Our goals this year are twofold:  
100% PTA Membership Participation  
\$40,000 Dollars Raised

In the first week of the program we have already made significant progress:

**9.11% Participation**  
**\$8,565 Raised**

Funds raised by the PTA throughout the year and during the campaign go to support our kids and our school by providing funds for things like:

- Reading and math specialists for all grades
- Kindergarten tutors
- A librarian
- Teacher classroom supplies
- The garden and outdoor classroom
- Instrumental music instructor for 4th and 5th grades
- Library books
- Art supplies
- Health and Fitness equipment
- Music and instruments for music class
- Movie nights, the Apple Social and Field Day

Please consider participating. Every contribution, no matter the amount, supports our kids and our school.

Bee Supportive! Giving Campaign

## How do I Participate?

You may send a check made out to DBE PTA or donate online using the link available on the [donation page](#). Be sure to complete your [pledge form](#), checking the applicable box for participation. And, don't forget to send in your child's "I Love Bagley Because" sign. We want to fill the walls with student sentiments.

REMINDER: There are incentives just for sending in your form! No donation required.

Turn in your pledge form by Friday, March 4 and receive five entries into the campaign prize drawing. Forms submitted after this Friday will receive one entry.

Prizes in the drawing include:

- Two certificates for overnights at Great Wolf Lodge
- Two \$50 gift cards to Sushi Kappo Tamura
- A \$25 gift card to Chocolati
- A \$25 gift card to Bahn Town

For questions or more information contact campaign co-chairs [Wendy Stauff](#) or [Keri Pravitz](#)

## Office Notes

by Randi Olson

### Change of Clothes

We highly suggest that your child has a Ziploc bag with a change of clothes in their locker. This can include socks and a pair of shoes. Unless we are experiencing a torrential downpour, we don't cancel recess. With this wet weather comes many puddles of water on the playground and we end up with wet children. If your child already has a bag of clothing in their locker, check to make sure it doesn't need to be restocked. This suggestion is for all grade levels.

### Reporting an Absence

If your child is absent or will be having a future absence, please email [Bagley.attendance@seattleschools.org](mailto:Bagley.attendance@seattleschools.org) or call the office at 252-5110. If you send an email to just the teacher or a secretary and they are absent, your message will not be received.

### Playground Etiquette

The Natural Garden which is at the south end of the building near the large cedar tree is an out of bounds play area during the school day. We would appreciate it if parents would have children honor the school policy before and after-school also. We would also ask that you help your children to follow our playground rules of no playing with sticks and rocks as well as not climbing trees.

---

# Is My Child too Sick to go to School?

## Guidelines from the District

**APPEARANCE/ BEHAVIOR-** unusually tired, pale, no appetite, hard to wake, or confused.

**EYES-** If there is drainage, vision change, and/or redness of the eyelid, itching, pain or sensitivity to light. This may be a sign of "pink eye" (conjunctivitis) and the student should be checked by a health care provider.

**FEVER-** temperature of 100 degrees Fahrenheit (38 degrees C) or higher. Students need to be fever free for 24 hours before returning to school WITHOUT medications to reduce the fever.

**BAD COLD AND/OR COUGH -** Students need to be able to cover their cough to be at school. If a cough or cold persists for more than 2 weeks, the student may need to be seen by a health care provider.

**DIARRHEA- 2** or more watery stools in 24 hours, especially if the student acts or looks ill. Students should stay home for 24 hours after the last watery stool.

Students are expected to participate in all parts of the school day including recess or PE. If your doctor has restricted activity please send a doctor's note, for example: "No contact sports x 1 week."

**VOMITING-** vomiting 2 or more times in 24 hours. Student should stay home for 24 hours after the last time they vomited.

**RASH-** Bothering body rash, especially with fever or itching. Some rashes may spread to others and should be checked by a health care provider.

**INJURY/SURGERY-** if students are unable to concentrate due to pain or pain medication, they should stay home. Please have your health care provider contact the school nurse to help your child safely return to school. Letting the school nurse know in advance of any planned surgery will be helpful.

**STILL HAVE QUESTIONS-** about whether or not your student is healthy enough to come to school? Contact the school nurse or your child's health care provider.

Thank you for your support to keep students safe & healthy.

---

## Winter After School Programs

Keeping ill students at home, encouraging frequent hand washing, and covering coughs protects everyone, including those with fragile immune systems.

## Registration Open Now!

The next session of our after school enrichment program begins Monday February 29th. Registration is open and we have seats available in many of our exciting classes. We currently provide a diverse menu of classes guaranteed to offer programs that spark the interest of your student.

All of our programs are offered on site at Bagley.

We serve a daily snack and hand-deliver each student to their classes every day. If your students are interested in being part of awesome activities like yoga, multi-sports, chess, or cooking this is the place for them. If they need somewhere to quietly do homework, or take part in the creation of a short film, our program offers engaging classes to meet the needs of all students.

Our brochure is posted on the [PTA website](#), or you can register by calling the front desk at Green Lake Community Center.

---

## Service Opportunity

### Sign up now to join the hiring committee

Want to participate in the hiring process at Daniel Bagley?

All participants on a hiring committee need to take a one hour training. These are offered once a month at the JSCEE. Due to the number of staff and parents who need the training we arranged for a one hour training to be held at the Daniel Bagley Library on March 17th from 4-5. If you would like to participate please RSVP with Principal Ayer by emailing her at [ejayer@seattleschools.org](mailto:ejayer@seattleschools.org)

## Let's Move

### Coming to the Bagley Track Every Friday!

The February winner of the Golden Sneaker award is Ms. Lipsen's class. Congratulations!

Walk, bike or scoot to school on Friday mornings and collect a point. Walk or run laps around the track to earn more points. Kids win a fun backpack charm for every three points they accumulate through Let's Move activities, and the class with the most points each

month will receive the Golden Sneaker Award. Check in with the Let's Move crew on the track starting at 9 a.m.

## Free Money Corner

by Camille Heinen

This week, we have a good old-fashion Free Money Mystery to solve: The Case of the Missing Printer Cartridge Recycling Bin!

Yes, that's right. The Free Money printer cartridge recycling bin has gone missing. It was last seen in by the front door of the school, collecting printer cartridges. We recycle those printer cartridges quarterly and receive Free Money in exchange. Don't fret; we have a cardboard box filling in until our bin comes home.

If you have any clues to the mystery, please email them to our tips line at [camille.heinen@gmail.com](mailto:camille.heinen@gmail.com).

---

## Thank You from P5!

**For your help in raising money!**

P5 is grateful for the incredible support of the Bagley community! We made \*\*\$370!!\*\* in donations at our kid sale last week, and are in the final stage of our fundraising drive to build a well in South Sudan so that children in Africa can have safe, clean drinking water.

If you missed the sale but would like to help us meet our stretch goal, please consider donating online

at: <https://www.crowdrise.com/p5wantstobuildawelli/fundraiser/danielbagleyp5>.
