## Jogathon 2016

### **Thank you for making it a resounding success!**

Congratulations to the runners and walkers of the 2016 Jogathon! Daniel Bagley students collectively ran 11,792 laps - wow!

That is about 1300 miles and about the distance from Seattle to the Tijuana Mexico! Go Bagley Bees!

This year's Jogathon was a great day. Our principal, Mrs. Holmes and Mr. Bauer set the tone for the morning with their enthusiasm and excitement. Under clouds and wind & nearly perfect running weather, family & friends clapped and cheered while students ran their laps - way more than last year!

A huge THANK YOU to the more than 40 volunteers and our fabulous Daniel Bagley teachers and staff who helped to make this day a success. The Jogathon could not happen without the tremendous support from our volunteers.

Thank you to all of those who helped set up, clean-up, mark laps, count lap cards, hydrate the bees, carry signs and bring goodies! Also special thanks to Carla Holmes and Randi Olson for coordinating the administrative functions at the school and all of the teachers for getting those bibs on the kids and getting them down to the field! Finally, Thank you to all of the parents, grandparents, siblings and friends who came out to cheer our bees on while they walked, skipped, jogged and ran 11,792 laps!

Our goal is to raise more than \$32,000 this year from all of the kids amazing efforts! That is an average of about \$75 per student. No donation is too big or too small - every dollar counts!

Please be sure to return your pledges and pledge forms to your child's teacher by October 21st. Alternatively, you can donate online and turn the form in to the teacher. The links to donate online are below. Forms can be found on the Daniel Bagley PTA website if you need another copy.

## Food Backpack Program

### How to participate

Did you know that Bagley has a food backpack program?

Partnering with Family Works and Bethany Church, we provide bags of food on Fridays to be taken home by students who may not otherwise have access to enough food on the weekends. Here are a few ways you can be involved:

If your student could benefit from this program, please tell Ms. Olson in the office.

If you'd like to help with this program, we need drivers each Thursday to drive to Family Works in Wallingford to pick up the bags of food between 10-2. I'll have a sign up genius set up, and you can choose your Thursdays. Last year, each driver drove about once every 3 weeks.

If you are coming to the Back to School party on Saturday, please think about bringing a donation; the program is looking for healthy foods that children can easily open and fix for themselves if there's no adult around, such as single-serving microwaveable meals that don't require a can-opener (e.g., spaghetti & meatballs, ravioli, mac & cheese, cup-o-noodles, chili, soups). They also need juice boxes, granola or cereal bars, shelf-stable milk in tetra packs, and snack crackers or nuts in single-serve bags. Look for the donation bins near the garden on Saturday. Any questions, please email Brooke Doyle ([brookedoyle@yahoo.com](mailto:brookedoyle@yahoo.com))

## 2016/17 Special Initiatives Grant Opportunity

by Wendy Stauff

The PTA has allocated \$3,000 to provide grants for special initiatives this year. The grant fund gives the PTA flexibility to fund special projects and needs that arise outside the normal budget planning process.

If you have a new or existing program, event, or idea that supports the PTA mission, or if you would like to expand an existing program or event, please complete the simple proposal form and submit it by the deadline.

Applications are due by 4 p.m. on the following dates:

- October 6, 2016
- January 26, 2016
- March 30, 2016

The application, including additional information, can be found in the [forms section of the PTA Web site](#) in both Word and PDF formats. Complete the form and email to [wendystauff@msn.com](mailto:wendystauff@msn.com) or place in the PTA Grant Proposal folder located in the PTA closet in the main office.

Grant applications will be reviewed and determinations made within two weeks of the submission deadline.

**NOTE:** the SIG committee is able to allocate up to 75% of the budget in the first round and the remainder in the second. You may want to consider applying early, even if your project is not taking place until spring.

## Family Directory

**Sign up by September 30!**

Please confirm or add your contact information to the online family directory.

Visit [join.myschoolanywhere.com](http://join.myschoolanywhere.com) and enter our Bagley join code:  
**BagleyBees**

This information is great for planning birthday parties, arranging carpools, or making class plans, but it does depend on family participation. Please take a few moments to be sure your family is included. While online you can also sign-up for the PTA, purchase a Chinook Book and/or donate to the Jogathon.

This year, MySchoolAnywhere for Parents is available in iTunes and Google Play so you can access the directory easily from your phone!

Please note: All families must register or confirm their information online to be included in the directory. The paperwork in the first day of school packets was for the school district, not our online family directory.

Thanks,  
Jenny Poast  
PTA Vice-President

## Classroom Liaisons Needed

### Your child's teacher needs you

All of our teachers are seeking parent liaisons.

This job can really be what you make it and depends on the needs of the teacher.

In general, the classroom liaisons coordinate teacher appreciation cards and gifts during holidays or end of year. They act as the contact for your child's classroom when information is needed for the PTA.

Teachers often use this parent as a "room parent" to help communicate with parents and recruit volunteers for the classroom.

Ready to sign up? Use the [Sign up Genius](#), or contact [Mrs.Katylin@yahoo.com](mailto:Mrs.Katylin@yahoo.com)

## Parking Lot Etiquette

### Working together to prevent gridlock

The parking lot can be very congested during morning drop off and afternoon pick up.

- Please remember that driving through the parking lot is one way only. Upon entering go to your right heading west and around.
- Please park in a designated parking spot before leaving your car to get your children.
- When leaving the parking lot please turn right only and go around the block. Trying to turn left during busy traffic times causes the parking lot to be backed up.
- If you are able, please consider walking to school to pick up students rather than driving. Also, there are parking spots in the neighborhood. Be sure to not block our neighbors driveways.

Respecting these guidelines will help considerably with the congestion.

## International Walk to School Day

### Wednesday, October 5

Observed all over the world, International Walk to School Day celebrates walking to school!

Even if you don't normally walk to school, try to on iWalk Day. It's a blast, you might find Bees in your neighborhood you didn't even know about, and your Bee might just love it.

We'll have a bubble machine, chalk and hand stamps for walkers (and bikers!) on the playground on Wednesday, October 5, so please come find the source of the bubbles!

Two days later on Friday, October 7, we'll launch our weekly Let's Move program on the track. This program encourages movement before school! Bees who walk or bike to school can check in on the track at the rolling cart; students can also run or walk laps around the track. All of these activities earn tally marks. 4 laps = a point; Walking or biking = a point and 3 points earns the student a backpack charm. We have lots of fun ones - collect them all! We also keep track of the class who has the most movement, and they earn the "Golden Sneaker" for the month. This is all with the goal of getting our blood flowing and a healthy start to the day. To learn more about this program or to volunteer, contact Margarita Durham at [mmarnera@yahoo.com](mailto:mmarnera@yahoo.com).

For a little added fun, SDOT will be on the playground on Friday, October 7 to help us celebrate walking to school. They'll have fruit for our walkers and information about walking to school. Please look for them!
