

Dear Daniel Bagley Families,

We are Kids Co. and we are so happy to announce that we will be running after school clubs this school year. We are really excited for the programming that we will be bringing to Daniel Bagley this fall! Please read the information below as it will help with the after school club registration process coming up.

Club registration will open on Monday September 24th and run through Sunday September 30th. Forms will be located on the Daniel Bagley PTA website, <http://www.danielbagleypta.org/>

All clubs are filled based on first come first serve basis. If a student does not get an open spot, they will be placed on the waitlist and parents will be notified if a spot becomes available. Families will be notified of which clubs their child gets into by Friday October 5th.

The registration form for families will be available on the PTA website. It is a writeable PDF that can be filled in. Please make sure to save the PDF to your device before sending it over to Kids Co. The email address for clubs is ASCDanielBagley@kidscompany.org . After you turn in your registration form you should receive an auto reply saying that we received your form. *This is only confirmation that we received your form, not that your child is registered for the desired classes.* We will contact families by the end of each day if they have been waitlisted for a specific club after registration closes.

Kids Co. will send out separate confirmation emails once a child has been confirmed for a class. Once you receive the confirmation email, there will be details on how to submit payment for clubs. Payment must be submitted before clubs start.

Please see the back of this sheet for a list of all offered classes this fall term and their corresponding days available. Full descriptions for all classes can be found the PTA website along with the registration forms. <http://www.danielbagleypta.org/>

Please let me know if you have any additional question. We are excited to be able to provide such great enrichment this year!

Best,

Kristina Broyer
